FARMHOUSE VILLA

Area: 1500 sq.m.

Year: Ongoing

CGI: Infinity Studio

Client: Mr. Paresh Thakur

Location: Chowk, Karjat

Project Description:

Classics never go out of style. The design for this Villa is an amazing fusion of stunning aesthetics and the optimal ambiance. The entire place is certainly unique due to the harmonious combination of exclusivity, elegance, and extravagance from Neo classical Style and the minimalist approach of Modern Architecture.

HIGH END RESIDENCE

Location: Kullu

Project Description:

The vacation house is situated in the foothills of Kullu. The beautiful rough surroundings form the design of this house. The qualities of this house are linked to the unique inside and outside. The landscape around the vacation house is invited all the way into the house. Wide windows are framing the enlightened landscape. In colour and properties the materials suit the environment and the house blends into the surroundings.
